Dear Sponsor,

2015-2016

The Crescenta Valley High School Baseball Organization would like to thank you and your organization for considering participation in our outfield banner program.

Sponsoring a banner is not only an effective way to locally advertise your business, it also helps fund our CVHS Baseball teams. The Glendale Unified School District budget is limited and only funds a small portion of the budget for the Varsity and Junior Varsity programs and provides no funding for the Frosh/Soph team. We need community members like you to help support this important program for our youth.

This time honored tradition of outfield banners catches the attention of thousands of spectators each baseball season. The banners will be hung all year long at Stengel Field from December to December and will be seen at over 150 events during the course of the year. We will display your logo in your choice of size:

3 ft. x 10 ft. sells for \$325.00 NEW (renews every year for \$250.00)

3 ft. x 6 ft. sells for \$175.00 NEW (renews every year for \$125.00)

We hope you will consider this unique opportunity to advertise your business. I would be happy to stop by and review your artwork and answer any questions. Please visit our website at cvfalconsbaseball.homestead.com to see a list of our current sponsors and check out our program. We look forward to add you as a sponsor. Please don't hesitate to contact Michele at 818-402-0823 or lynchm@trumarkrem.com.

Please make check out to: CVHS Baseball Booster Club
